# The excursion

Frog is ready  
for the excursion.  
It carries everything,  
even its compass.

Frog leaves home  
to meet its friend Frag.  
Together they will go  
on excursion.

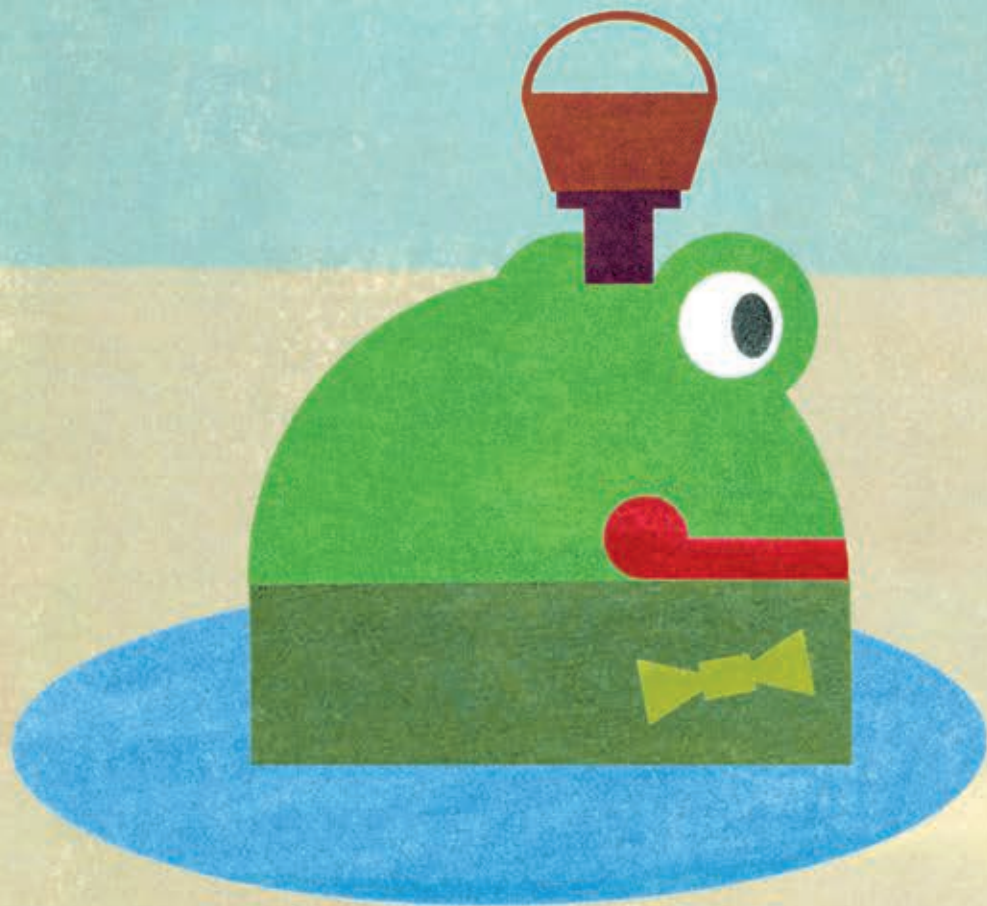

There is no light at Frag's.  
Perhaps its friend has already left.  
– Is anybody at home? I'm Frog.

– Good morning, Frog.  
Aaah. I am sleepy.

– Were you still sleeping?

– Of course.  
And you, what are you doing  
dressed like that?

– We had met to go on excursion  
to the lake.

– Oh, oh. I have forgotten it.  
I'll get dressed in a minute.

– Poor Frag, you are asleep!  
Look yourself at the mirror.
